Feeding Tube Awareness Week 2024

Promotion Kit

Feeding Tube Awareness Week

4-10 February

#FTAW2024

Feeding Tube Awareness Week (FTAW) is held on 4-10 February 2024 to raise awareness about tube feeding and unite the community.

We encourage you to promote Feeding Tube Awareness Week by sharing about tube feeding on your social media pages, website or newsletter, and/or by printing and displaying the FTAW poster.

This promotion kit contains information and resources to help raise awareness. These resources are also available on our Feeding Tube Aware [website](#).

Please tag ausEE Inc. on your social media so we can find and share your posts.

We will be posting on social media leading up to and during Feeding Tube Awareness Week. You can also help spread the message by liking and sharing our posts:

@ausEEInc on [Facebook](#)

@ausee_inc on [Instagram](#)

@ausEEorg on [X/Twitter](#)

@ausee-inc on [LinkedIn](#)

Thank you for your contribution in raising awareness for tube feeding.

If you'd like to be listed as a FTAW Partner (it's free), please register [here](#).

FTAW Social Media Tile

Do you know someone with a feeding tube? We're helping to raise awareness for tube feeding this Feeding Tube Awareness Week (4-10 February 2024). Visit www.feedingtubeaware.com.au to get involved. #FTAW2024

FTAW Banner

Feeding Tube Awareness Week (FTAW) is held on 4-10 February 2024. We've partnered with ausEE Inc. to help to raise awareness about tube feeding and unite the community. To find out more, please visit www.feedingtubeaware.com.au #FTAW2024

FTAW Poster

There are many reasons why babies, children and adults may require a feeding tube. Tube feeding, also called enteral nutrition, is a way food and drink can get into the body if a person is unable to eat/drink or unable to eat/drink enough. Food in liquid form, formula, fluids and medicine can be delivered into the stomach or small intestine through a feeding tube. To find out more about tube feeding this Feeding Tube Awareness Week (4-10 February 2024) visit www.feedingtubeaware.com.au #FTAW2024
